

JOIN OUR EUROPEAN YOUTH ENSEMBLE

What is LifeLine?

LifeLine is a public wirewalking event that will feature a cast of 150 people from all walks of life performing Europe's largest highwire spectacle over the River Corrib and Claddagh Basin in the heart of Galway City. The event will take place on 16 of July and will include performances by community participants, professional artists and our European Youth Ensemble.

LEARN TO WIREWALK

We're looking for 6 Irish youth aged 13-17 to join our European Youth Ensemble and perform in the LifeLine spectacle!

Our European Youth Ensemble will be made up of 42 youth from 7 countries. Participants will train in wirewalking in their own circus schools before taking part in a 9-day Erasmus+ funded youth exchange in Galway where they will create a performance together for the LifeLine spectacle. The theme of the exchange is funambulism and youth mental health & wellbeing, and participants will explore these topics together in a fun, creative way while developing their performance.

If you join the youth ensemble you will...

- Learn to wirewalk and prepare to cross the Claddagh Basin on the wire.
- Take part in the youth exchange in Galway from **Saturday 9th – Sunday 16th July 2022** together with GCC tutors Isabela, Lau and Ines.
- Create two performances, one with the Irish ensemble and one with the international ensemble.
- Perform in the LifeLine spectacle on 16th July, costumes etc. provided.

This project is free of charge for participants and all food will be provided during the exchange.

You will need to be available for these dates and times to learn how to wirewalk before the youth exchange:
